

Tyler Jett Racing 2004 Season Review

April 18th

It was pole day at Mountain Speedway. The #50 was the first car to hit the track that afternoon with a fast lap of 19-something....It was good enough for 3rd quick, which is where it started in the feature on May 8th.

May 8th

Started the day off starting 3rd in the 20 lap feature. There were no cautions & the # 50 held on to the 4th spot the whole race & thats where Geno finished. The weather was nice & finally for Mt. Speedway, NO RAIN!!

May 29th

Started the day off starting 2nd in the 15 lap feature. The race was eventful with one red flag for about 15 minutes. The team would end up finishing 5th in th 4 cylinder thriller field.

June 13th, Northeast Enduro Touring Series (NEETS) Race

Crew Chief, Tom Underwood drove the #50 to a 3rd place finish in this 100 lap event, giving the team it's best enduro finish ever. Congratulations to Tom!

June 19th, 2004

Started the day off starting 2nd in the 15 lap feature. There were no cautions & the # 50 grabbed the lead at the start of the event. Geno would end up finishing 3rd after losing the lead half way through. These were the first feature laps lead for the #50 team this season.

July 3rd

Started the day off starting 2nd in the 10 lap feature. There were no cautions & the #50 grabbed the lead at the start of the event. Geno would end up finishing 3rd not far behind his two Verwys rivals. Teammate, Howie Bott finished right behind the #50 in 4th position.

July 24th

Started the day finishing 3rd after being spun out in a wild heat race. On top of that, Gene was sick with the stomach flu all weekend and was very sick for the feature. Ended up finishing 5th in the feature. It was also autograph night at the track and the #50 team was very surprised to have actual fans! Gene also jumped into the division points lead that night.

August 21st

A week prior a new team member, Rose Ostrowski was brought into this world. She waited to come on a non-race weekend!

This Saturday night was a good one. The #50 started on the pole, but even though the car was working well, ended up 5th in the feature..

September 12th

Started on the pole & even though the car was working well, we ended up 5th in the heat and the feature. We dropped to 2nd in points.

September 21st, 2004

For the last points race, the car ran great. Even though we started on the pole for the feature, we ended up 5th in the feature. Thanks to our MVS friends (Jon, Dave, Adam, Brian & others) for joining the fun, Gene and the entire Tyler Jett Racing team are very pleased with the results from 2004. Even though the

car was not always at its best, the team stayed focused and tried their best every week. Being a rear wheel drive car with less horsepower than his front wheel drive competitors, Geno still managed to finish in the top 5 in 7 out of 8 starts. Congratulations to our teammate in the #75 Mustang, Howie Bott finished 3rd in the standings.

October 10th Northeast Enduro Touring Series (NEETS) Race

Our crew chief, Tom Underwood drove the #50 once again, beating 14 other cars and finishing in the 5th place position.

Gene was in charge of organizing a Racing For Smiles event at the track that day. Racing for Smiles is an organization which helps the lives of sick children and their families enjoy an all expense paid trip to the track to meet and hang out with the drivers. The day was a huge success!

Tyler Jett Racing would like to thank all our sponsors from the 2004 season. Thanks for all your support and contributions this past season. Every dime earned in race winnings and through your sponsorship efforts was donated directly to the Cystic Fibrosis Foundation. It was a great year both on and off the track.

Over the past two years we have been recognized by NEETS (Northeast Enduro Tour Series), many racing web sites and a variety of local and racing papers for our mission and accomplishments. Gene and his niece, Camillia (who has CF), along with Linda Capozello from the Cystic Fibrosis Foundation were on the Sam Lesante Show speaking about life with CF. This was aired on Hazleton channel 13 in May of 2003.

Recently, Gene was nominated for WNEP-TV's 16 Salutes Award. This award recognizes members of our community who have done exceptional things to help their neighbors. Although we do not know the outcome at this time, the nomination was a nice gesture.

Although we will probably not run for a championship at any given track in 2005, we would still appreciate your support. The team is looking to compete at a variety of tracks, including Mountain Speedway and Mahoning Valley Speedway.
